It was Tuesday the 21st of October 2014, and all the Stage 3 children were in for a jam packed trip full of attractions, children, exhibitions and more such as Parliament House, The National Portrait Gallery. It was full of sleepless nights, a pantzed boy and laughter, but what they didn't know was that not everything was going to go to plan. Will they survive the night?...

A long bus ride was the start of an adventure for the bus full of sleeping, hungry children and teachers but the bus finally stopped at the National Portrait Gallery (NPG) where all the children's brains were fascinated from stories told by a tour guide about Nancy Wake Bob Brown and Ned Kelly's Death Mask.

"I loved the portrait of Nancy Wake and the story behind the picture," quoted Emily. Next was a short bus ride to Parliament

House.

"When we arrived at Parliament House all the Stage 3 students were fascinated" - Quoted Mrs Robinson.

"As we were walking through the Parliament doors we saw some policeman"— quoted Lauren.

All the Stage 3 children were shocked when they saw all the places and views of parliament house such as the Senate, the House of Representatives and more .

After a delicious lunch all the children visited the War Memorial where they saw amazing videos, photos, objects and some walls covered in the names of the soldiers which died in war. It was also covered in poppies. **MORE ON PAGE 2** ➔

Grilled Chicken Snack Wrap

It may be little, but there's a lot to love. 100% chicken breast marinated with spices and cooked to perfection on a sizzling hotplate, with fresh iceberg lettuce and creamy mayonnaise.

After a long trip at the War Memorial, all of Canberra's newest visitors made their way to the Bush Capital Lodge, where all of the students and teachers settled in and had a scrumptious dinner. Right before they all visited The National Dinosaur Museum where they all enjoyed an amazing time learning all about ancient dinosaurs. Now we know that the broncosaurus is not a real dino – quoted Lauren. After a long day of traveling and buying all of Stage 3 and the teachers made their way back to the Bush Capital Lodge where they all would get a goodnight sleep hopefully...

After a terrifying night of screaming, knocks on cabin doors, late night showers and zombie sleepless children, everyone was ready, packed and dressed for brekkie.

After a while all of the Stage 3 students were awake, packed and dressed ready for breakfast. Everyone was ready to head off to Questacon. Students had an exciting and fun time at Questacon as some of the stage 3 students and teachers went on the Freefall, saw an electric lightning, a smoke tornado and more. All the Stage 3 children had a delicious lunch provided by the Capital Bush Lodge.

"I liked the Freefall because it was fun and scary" – quoted Lauren.

Then all the children made their way to the Australian Institute of Sport (AIS) where they had a tour from a tour guide. Where they had fun playing athletic games, they also had a tour of the whole AIS where Stage 3 saw a gigantic swimming pool, a gymnastics stadium and more. During the whole camp stage 3 bought a lot of souvenirs.

On their way home Mrs Robinson surprised everyone for being so good with a MacDonal's soft serve.

When they got back to school all of the Stage 3 students were thrilled to see their parents and relatives and were glad they were back home.
